2011**

Port Barre Lions Club

We Serve

**Lions Club History &
Purpose of the Festival**

The International Association of Lions Club is the world's largest and most active service club organization, which was organized in 1917. We wear our colors of purple and gold proudly standing for loyalty, integrity, generosity in mind, and heart.

The Port Barre Lions Club was started in 1985, and with this start came the "CRACKLIN FESTIVAL." Our festival helps us to raise money for very special causes and people. One of our largest charity donations is to the Louisiana Eye Foundation in New Orleans, Louisiana. The foundation helps people who are in need of eyeglasses or eye surgery, but are financially unable to receive this care. Our club then looks into sponsoring the person in need. Another sponsorship that we hold is for handicapped children to have a chance to go to a summer camp where all of their special needs can be taken care of while having fun. The camp is located in Leesville, Louisiana. It is called the Louisiana Lions Camp.

These are only two of the many special reasons Lions raise money. We do try hard to help those that can't always help themselves.

Festival Admission Friday thru Sunday is \$5.00 per day per person. Children 10 years old and under are admitted free. No ice chests, glass containers, or pets allowed.
